FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator** and **Department of Health and Senior Services** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Department of Social Services - Family Support Division (FSD)** state since the FSD's Child Support section does not initiate adoption proceedings, this proposal does not affect the Division's policy and procedure and, therefore, has no fiscal impact.

Officials from the **Department of Social Services - Children's Division (CD)** state although this proposal could extend the filing for termination of parental rights by 45 days, it would likely create no substantial fiscal impact.
